NOTE FOR: OP/CMO

FROM: C/HRPS

SUBJECT: Candidates for GS-14 Position

1. Per our telecon, I have prepared the following "unsolicited" list of possible GS-14 candidates for my GS-14 slot. As you know, I see this as a generalist position until we get some specialist careerists with more experience. In addition to listing careerists in order of preference, I have noted a pertinent comment or two from their backgrounds.
